Measles

The swift increase of our young children catching measles has been incredible. To date we have no confirmed measles cases with our pupils. I think this is mainly due to whanau who have vaccinated their children. In some ways we are very fortunate, as we have several pupils who have only had their first immunisation. The first immunisation gives our children only 95% protection.

Due to the outbreak some of our sports events have been cancelled this term. Unfortunately our biggest tournament St Anne's Shield Sports Tournament is cancelled. Thank you to the whanau who have coached the teams and got them ready for the big day. We do appreciate your time and commitment.

Support for our Gala

The PTFA met last night to discuss this year's fundraising and the Gala in November. We are a small team and really need your support to assist on the day. Please add your name [in this link](#) if you are able to help on the day of the Gala. Helping on a stall for 2 hours will mean so much to us and we know you will feel great by giving service.

Fijian Gala Meeting, 20th September from 6.30pm at the Church Hall.

New Staff

We would like to welcome Ms Rita Burgess to the St Anne's teaching whanau. Ms Burgess will teach in Aroha Tuatoru (new entrant room). Ms Burgess has had a long association with the school, a member of St Anne's Parish and two children attending St Anne's.

A thought to leave with you:

the blessed Mother of our Redeemer."*

The one symbol most often identified with Jesus and his Church is the **cross**.

This week on September the 14th, we celebrate The Exaltation of the Holy Cross. This feast traces its beginning to Jerusalem and the dedication of the church built on the site of Mount Calvary in 335. But the meaning of the cross is deeper than any city, any celebration, any building.

The cross is a sign of suffering, a sign of human cruelty at its worst. But by Christ's love shown in the Paschal Mystery, it has become the sign of triumph and victory, the sign of God, who is love itself. The cross helps us to see our lives united with Jesus' life forever.

We make the Sign of the Cross before prayer which helps to fix our minds and hearts to God. After prayer we make the Sign of the Cross to keep close to God. During trials and temptations our strength and protection is the Sign of the Cross. At Baptism we are sealed with the Sign of the Cross, signifying the fullness of redemption and that we belong to Christ. Let us look to the cross frequently, and realize that when we make the Sign of the Cross we give our entire self to God — mind, soul, heart, body, will, thoughts.

O cross, you are the glorious sign of victory.

Through your power may we share in the triumph of Christ Jesus.

If you are available on Monday the 16th of September, please join the school for Liturgy in celebrating the Feast of the Triumph of the Cross.

Our Tongan students led us in prayer before morning tea and lunch followed by a feast for the staff catered by our lovely Tongan community. We ended our week with assembly where our students performed a dance and haka. Congratulations to everyone and also to Felise Vikena and Gina Mafi who participated in the APPA Year 5 & 6 Tongan Speeches.

ST ANNES NETBALL CLUB

A Win at CSSA tournament

Our Year 7&8 Basketball team are headed to the Counties Championships after coming 1st at the Central Counties Basketball Tournament. The girls played exceptionally well in all of their pool games and semi-finals. Then came their final game against Clendon Park. They stepped their game up, sticking on defence and sprinting for tips and intercepts and came out with the win. They look forward to the Counties tournament in week 10. Well done to the team and their coach Mr Ross. St Anne's organised the tournament and were fortunate to have staff and students help score bench and calculate scores on the day. A huge thank you to all the helpers as well.
