Whanau Picnic

Thank you for joining us on Thursday evening to celebrate as a school community. It is not often we get a chance to interact on a personal level and grew stronger bonds. I have been reminded lately that community is bigger than the individual. It is greater than my personal want or the want for my child, it is about the greater good for all.

Bike Track

On Thursday we opened our new track. Unfortunately I haven't had a chance to ride on it yet. It was fun seeing the pupils enjoying the track and being active. The aim of the track is to offer our pupils another physical activity they can enjoy. I have found with my own children, they are rarely on their bikes around the streets as it is too busy with cars.

The sense of speed and freedom a bike or scooter can offer is one that can last a lifetime. The pupils will have opportunities to ride the school bikes, to get familiar with the track and possibly riding a bike.

We will open the track to personal scooters for break time use soon. Before we do this, we want the pupils to understand school use and safe procedures. These include going in the same direction, helmets are compulsory, the scooter is their responsibility for safe storage and maintenance and sharing of equipment is their own responsibility to manage.

School Roll

It has been a busy return to school for our admin staff, with over 30 more students enrolled than this time in 2018. It is wonderful for the school. Please, if you have a child turning 5 this year or next, please complete the enrolment forms and let's secure their space.

A thought to leave with you:

"...each is given a time and a place which belongs to no one else."

God Bless

House Leaders Paving The Way

The first month of our school year has been busy for all our House Leaders. Serving others through their leadership roles at school assemblies and liturgies, collecting and collating the house points weekly, leading by example, attending a retreat to reflect on their roles for this year.

Above: House Leaders showing their finished taonga, at their leadership retreat, held at the Hillsborough Friary.

Wellbeing

Just as we look after our physical fitness, there is lot's of things we can do to boost and strengthen our mental fitness!

The definition of '**wellbeing**' is feeling good and functioning well and whatever age we are, we can all benefit from learning handy wellbeing tips and tricks.

Below are some great ideas that we can build into our everyday lives that can improve our wellbeing and boost our resilience. Many of these will already be an important part of your family's life but it's always nice to know they're having a positive effect!

Five Ways to support Wellbeing

- **Connect**-With your friends, whānau and the people around you e.g. *taking time to go together to the park or having a picnic together.*
- **Be Active**-Move your body, get outside, do physical activity you enjoy e.g. *playing a game outside that the whole family can join in and play.*
- **Take Notice**-Enjoy the moment, notice the world around you, cultivate mindfulness e.g. *putting time aside each day to relax and be with your loved ones.*
- **Learn**-Be curious and seek out new experiences. Literally exercise your brain!
- **Give**-Practice kindness; give your time, words and actions.

The M&Ms Story

During our regular staff prayers last week, Mrs Maletino shared an inspirational reflection titled "M&M's". Now if you know Mrs Maletino, you would know that she LOVES sweets and readily admits that she has a sweet tooth. So it surprised no one when she used her love of sweets as a backdrop to the prayer she shared. It fits right in with our school theme this year of "Serving Others..Serving God".

I hope this story puts a smile on your face and touches your hearts as it did mine.

The M&M Story-We as Christians are a lot like M&Ms:

First :M&Ms are marked with an "m"

We as Christians are marked or sealed with the Holy Spirit of God. We are also marked for a purpose and focus. We are marked for ministry!

(Ephesians 1: 13-14): In him also, when you had heard the word of truth, the gospel of your salvation, and had believed in him, were marked with the seal of the promised Holy Spirit; this is the pledge of our inheritance toward redemption as God's own people, to the praise of his glory.

Second :M&M come in a variety of colours

God has created each of us unique in many ways too. Although we are called to ministry, we are uniquely gifted, have different backgrounds, different personalities etc

(1 Corinthians 12: 4-6): Now there are varieties of gifts, but the same Spirit; and there are varieties of services, but the same Lord; and there are varieties of activities, but it is the same God who activates all of them in everyone.

Think about the various colours of the M&M's. We also vary in our colours too:

Some of us are RED - hot, bold, competitive

Some of us are BLUE - calm, dependable, solid

Some of us are YELLOW- friendly, positive, creative, encouraging.

Some of us are GREEN - analytical, organised, practical, decisive.

Some of us are ORANGE - assertive, outgoing and some of us are BROWN- warm, inviting, trustworthy, wholesome.

God has His way of blending our background, personality and spiritual gifts into unique, individual ministers for His kingdom!

Third: M&Ms are filled with chocolate inside which is the best part of an M&M!

We as Christians are filled with God's love!

(1 John 4: 9, 11-12): God's love was revealed among us in this way: God sent his only Son into the world so that we might live through him. Since God loved us so much, we also ought to love one another. No one has ever seen God; if we love one another, God lives in us, and his love is perfected in us.

Like an M&M, although we may look different, we are all created to be filled. M&Ms are filled with chocolate! We are made to be filled with God's love! Without the chocolate, an M&M is just a fragile shell with really no taste. Even so, we, without God's love, are fragile and empty too.

Fourth :because of how M&Ms are made, they are easily shared with others. God's love is made to be shared through sharing the Gospel - the Good News of Jesus Christ. (1 John 4: 19) we love because He first loved us.

Well done to the following children who have received

Celebrating our Achievements & Successes

Congratulations!

Role Model Prime Minister Jacinda Replies to Letter

Our Week 2 Excellence award went to Whakanui student Ilisa. Inspired by our Prime Minister, Ilisa wrote a letter to Jacinda Ardern expressing how she is a great role model and one day Ilisa would like to be Prime Minister. How inspiring that our prime minister found time in her busy schedule to reply to Ilisa's letter.

Taking Action

The Excellence Award for Week 3 went to Tumanako student Roana. During the Whanau picnic evening, she noticed Mr Ryan was holding some rubbish, while having a conversation with a parent. So showing initiative, Roana approached Mr Ryan and took the rubbish off him. She placed it into the bin, leaving Mr Ryan to carry on with his conversation. A fine example of serving others.

Disciple of the Week

Week 2 - Trinity Silivelio Ulugia of Arohanui Tuarua picking up rubbish.
Week 3 - Miriama Vitolio for helping an upset younger student on the playground.

Celebrating Excellence

"A leader is one who knows the way, goes the way, and shows the way." John C Maxwell

The school year has begun with many school leadership ceremonies occurring. Recently McAuley High School inducted their newest leaders including ex St Annes students, Maria Collier (Sports Prefect), Emma Yousif (Mercy Leader) and Alanna Hughes (Deputy Head Girl). These young women were 2014 St Anne's graduates. We congratulate them and their parents and we wish them every success in 2019.

On Tuesday the Year 8 softball team won the Central Counties Softball tournament by beating Clendon Park 6-1 and The Gardens 6-0, in the round robin games progressing to the Semi-finals beating Randwick 6-1 and then going onto beat Clendon Park in the Final 8-2.

The girls played extremely well, getting an early lead with their great batting skills and backing this up with great fielding and supporting and encouraging each other. The girls qualify for the Counties Zones competition on the 5 March.

PE gear is compulsory for all **Year 3** to Year 8 students and must be at school every day. This is a correction to the last e-newsletter.

Mark this date on your calendar for our school Swimming Sports this term in week 8 on **Thursday 28 March**.

URGENT REMINDER on fees for all parents of children that want to play this season for the St Anne's Netball Club.

1. Intermediate Fees must be paid in full by Friday 8th March 2019.
2. Future Fern player fees must be paid in full by Friday 22 March 2019.
3. No part payments will be accepted.
4. Again fees are \$90 per player or \$80 per player with siblings also playing for the club this season.

If fees are not paid in full by the above deadlines then unfortunately your child will not be able to play this season.
