Liturgies

On Monday we celebrated our first Liturgy together in the Church. Thank you to the House Captains and Mrs Milich-Misikini for arranging this. For me, it was the largest amount of people I have been with in months. And as an adult I found I needed to get my mind around being together at the beginning.

We need to remember that each of us are working through our feelings post covid. Please have a chat with your child about their feelings and how they are transitioning back into school. For some pupils it may take some time to feel the sense of normality.

Next week we will celebrate Assembly together in the Church. We hope you have enjoyed the online Assemblies and the humour. Our aim was to create some lightheartedness and enjoyment for all. I am not sure how we can continue some of those skits live. I might stick with the greenscreen.

Reporting to Parents

At present our staff are preparing a modified written report for each pupil. The report will indicate how your child is learning in maths, reading, writing and how they are meeting the Key Competencies. There will also be some written information on Catholic Character. We believe this report better reflects the learning during distance learning.

In Week 3 next term we will be holding Student Led Conferences to celebrate and share your child's learning.

Term Dates

Our school Term Dates will remain the same for the rest of the year.

A thought to leave with you:

"Love all – in him and for him."

God Bless

International Languages Week

Last week we celebrated International Language Week. International Languages Week supports the curriculum principles of cultural diversity and inclusion, and provides an opportunity for students to explore the values of diversity, community, and respect. We were lucky to have a talented group of students from Tumanako share their culture with us. Nga mihi nui to the following students.

Katerina - Hindi: Hindi greeting and drawing patterns

Hannah - Sri Lanka: Easy words, numbers

Marganita & Mariama - Assyrian: Writing in their culture.

Rachel - Poland: simple words

House Leaders leading School Liturgy

On Monday our House Captains hosted our first school Liturgy since lock down by celebrating the Body and Blood of our Lord Jesus Christ. It was a great occasion to have the House Captains welcome the school back into the church after such a long absence from gathering as a community. They reminded us that God wants us to depend on him and trust in him and his word.

We look forward to seeing our Se'e, Christian, Zeus, David, Alena, Kadance, Tyla, Eden continue growing in their roles throughout the year.

✠ ✠ ✠ ✠ ✠ ✠ ✠ ✠ ✠ ✠ ✠ ✠

This week we celebrated the Most Holy Body and Blood of Christ which is also known as the Solemnity of Corpus Christi.

On Monday we had a beautiful Liturgy planned by Miss Milich-Misikini and the House Captains. It reminds us that the bread Christ gives is his body, which he will continue to give us often as the community breaks bread in remembrance of him in the Eucharist.

Our school strand focus is "Church - Community of Disciples - Te Whanau A Te Karaiti". We are called to be a community of disciples to live and model Christ in all that we do. We are also asked to share his teachings with all those who we encounter.

Well done and Ka Pai to the following children who have received

Student Reflections

The night before I was really anxious, I had never participated in an EPro8 competition before so I didn't really know what to expect. I checked out the website to get some clues and practice the things I thought might be essential to know. I Did some IXL to sharpen my knowledge on little things, but in the end I didn't really need it.[Please click to read more](#)
