Social Media

Do you know what Apps your child has and uses on their device or phone? Instagram, Yellow, Snapchat just to name a few, these need monitoring. Our youth are still learning how to use these in a positive way. Let's support our children by checking what they use, how they use them and how they are feeling. Let's keep our children safe online.

PTFA Quiz Evening

What a wonderful evening we enjoyed at the quiz night. We had over 150 people involved, all dressed up and having fun. A big thank you to the PTFA Team for their organisation and fundraising, and a special thank you to Mr Andrew Malele the amazing compare. Well done to The Bosses for their win. Student Led Conferences

Reminder that school closes at 12.45pm on Wednesday 30 August and on Thursday 31 August. Book your SLC online to get the time that suits. Together we can make excellent growth with your child's learning.

Holy Rosary School Heathcote

Recently our school had 5 Principal visitors from Victoria, Australia to learn about how we teach in our learning hubs. Mr Paul Dullard enjoyed his visit so much he gifted this hand painted cross from his area - sacred lands of Lake Mungo NSW. Written on the cross is:

'Aboriginal people share the suffering of Jesus and hope for true reconciliation. The connection of the shared story is painted in the ancient symbols of my Ancestors to mark a Man of High Degree.'

A thought to leave you with

Solemnity of the Assumption of Mary Mass

Last week on Tuesday 15 August, St Anne's and Holy Trinity Catholic Schools came together to celebrate Eucharist for the Holy Day of Obligation - The Assumption of Mary. It was a lovely celebration with both schools preparing prayers, readings, offertory and altar serving. The celebration ended with staff from both schools enjoying morning tea together and all of our students playing together in the playground.

St. John's Emergency Responder's Course

The St. John in School Programme aims to develop confident young New Zealanders who care for the health and well-being of their communities and provides young people with the skills and knowledge to respond in an emergency situation. During the year 5 & 6 module, Responding in an Emergency, students learnt how to respond in an emergency, basic first aid including caring for an unconscious person, bleeding and burns.

What if my child keeps on using only English at home?

When children go to school here in New Zealand, they mostly learn in English and are using English with their friends and other students all day.

What is important is that:

You as parents **continue to use your home language**...even if your child replies in English

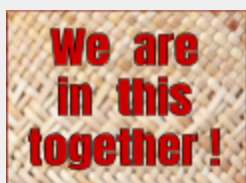

You **encourage** your child to use your home language but do not growl at them if they don't...**just encourage and explain why it's good**

You talk to your child about how **it is clever to know and use more than one language**...that it is lucky to have the chance!!!

You explain that when he/she uses your home language, just as you are doing, it will get easier and better all the time

You explain that if he/she doesn't try to use the home language at home, in the end they will not learn to speak it, read it or write well....and that's a pity

Pasifika and Tagalog Speeches 2017

Malo e lelei, Talofa lava, Kumusta,

Last Friday morning we celebrated the end of [International Languages Week](#) with our Inaugural Speech language competition. This year we listened to nine well prepared cultural speakers sharing their gift of being able to speak another language. We heard speeches in Samoan, Tongan and Tagalog. Our participants spoke with confidence, courage and pride sharing their ideas from their cultural perspective. Our Samoan speakers opened our competition with topics that life is about obedience and keeping your identity alive to thrive. The theme of culture and identity was carried on by our Tongan speakers. Year 6 Tongan speaker Kisione Fifita's speech on culture and identity touched the hearts of our Tongan audience, moving our judges to tears. Last but not least our Tagalog speakers enlightened us with speeches on the importance of the Filipino language.

We know they have inspired many other students to participate next year in the speeches. We congratulate the above students who will participate in the APPA competition.

Also a big thank you to our marvellous team of Year 7 & 8 comperees and incredible judges Ms Ifopo, Mrs Lotulelei, Mrs Christine Gonzaga and Mrs Anabell Loremas. Look forward to future competitions!

Associate Principal

Below are three of our wonderful bilingual/bicultural learners proudly displaying their amazing Duality Maps they have created with our ELA team. We look forward to seeing more duality maps from our tamariki.
