Dear Parents and Caregivers

Greetings, Kia Ora Koutou Katoa, Talofa Lava, Malo e Lelei, Kia Orana, Fakalofa, Kumusta, Shlama Ellokxon, Malo Ni, Salam Alaikum, Bula Vinaka, Namaste, Chao Ban

We hope you enjoyed our first emailed newsletter in week 1. I would like to thank Mrs Flavell, Mrs Hughes and Mrs Clyne who design and edit the newsletter. Our aim is to share the living school with you through pictures and videos, so you can see the school in action. These are often shared as links that are '[Blue](#)' and '[Underlined](#)'. To access these, click on the words, a link will appear, then click on the link and enjoy.

I hope you and your family enjoyed a relaxing mother's day this year. Mother's Day is one of my favourite thank you days. In the busyness of a modern life we get to say 'thank you for being our happiness protector, defender, pushing us along, superhero, inspiration, fashion sense protector, laugh at our jokes and for always loving us.

I have added this lovely tribute to mothers I hope you enjoy. Click on the following 'Blue Underlined Word'; [Mother's Day Video](#).

Year 7 and 8 Outdoor Education Camp

I had the opportunity to be a part of the camp last week. What a wonderful camp and a quality run event. The laughter and fun was fantastic. The girls were involved in kayaking, flying fox, riding horses, climbing wall, archery and many other activities. Camps are experiences that the girls will remember forever. Thank you to Mrs McNamara and Ms Pereira for your organisation.

A thought to leave you with

"Catherine's confidence in God's guidance gave her courage to take extraordinary risks." M Carmel Bourke

God bless

Kapahaka

Kapa Haka had a great start with 130 students enthusiastic and eager to learn. Whaea Jadein taught us a game called "Pepeha" and the Senior group began learning their first waiata.

IXL English

To start off our Week 2, we celebrated our Mums, Grandmothers, Aunties, Godmothers and Role Models with a lovely assembly lead by our House Captains. The House Captains shared the significance of their own motherly role models who attended the assembly alongside them.

[MOTHERS DAY LITURGY TRIBUTE - VIEW PHOTOS](#)

We also had children singing and signing for our assembly to celebrate New Zealand Sign Language Week. As a whole school we sang and signed our national anthem together.

Thank you to our wonderful children who also taught us how to sign some everyday words.

It was wonderful to see the great turn out of the many cultures at our Whanau Hui...

The tradition of this advocacy goes back to 1571, when the whole of Christendom was saved by Mary Help of Christians when Catholics throughout Europe prayed the Rosary. All Europe had joined with the Emperor crying out "Mary, Help!" and praying the Holy rosary.

Michael Mangan Concert

Michael Mangan put on two wonderful concerts for our students and staff last week on Tuesday 9 May. Everyone present, sang joyfully songs we already knew and new songs.

Michael has been composing Catholic Christian songs for 25 years and has composed over 250 pieces used in Liturgy and Religious Education programmes in schools and parishes throughout Australia, New Zealand, Canada and the USA. When he was a specialist music teacher, he would always look for songs suitable for the kids; this led him to writing songs which were inspired by students, his faith in Jesus and messages from the Bible. For example: *Micah 6:8* 'To act justly, and to love mercy, and to walk humbly with our God.'

The first song he wrote was, 'Come together let's celebrate, sing a joyful song'. One of his favourite songs is 'Hearts on fire'.

Soccer

Mrs Baice and Miss Wong have been training two year 5&6 soccer teams who will be representing our school at the MPSSA Football Tournament today (Tuesday 16 May).

Have fun and go for it guys!

Rippa Rugby

As the captains of the rippa team we felt excited because for us it was an honour being captains of the team.

About our day...

"Our team was a bit nervous for our first game against Everglade because we knew they were a good team.

At the start of our semi-finals it was a bit disappointing because the other team scored the first try but we still had faith. We were working so hard! It got to the stage where we went over time. It went on for so long that they end up taking off four people from each team. We knew we could do it! Marcel started to run with the ball and we knew he would get the try - and he did! Everyone started to scream and we were so happy, but it wasn't the end.

Finals had begun, we were fighting to be on top of the leader board but it was frightening because we were up against Everglade again. We all had to fight ten times harder and we all knew that but we were just too tired. We still tried hard, we knew this was it! We came second after trying our best.

As captains we really enjoyed the day because we had fun and we worked hard as a team too."

Marcel & Sariyah (Captains)

Auckland Basketball Services Limited (ABSL) will be coming in to run basketball skills workshops with some of our students. The workshops start in week 3 and continue through until week 9. These are held during learning time and are part of your child's hub PE programme.

Workshops:

- Aroha 1 & 2 (Thursdays)
- Arohanui 1 & 2 (Wednesdays & Thursdays)
- Tumanako (Thursdays)

On Wednesday, 3 May a number of our Board of Trustees visited the school and were able to see first hand how the hubs looked and operated. Board members talked to the teachers and students were able to tell them what they were learning and what their learning outcome would be. What a great opportunity to finally see our school in action. Many thanks to Colin Hopkins, Louise Manuatu, Vivian Pereira and Audrina Flavell for taking the time to visit.

TUMANAKO

Lakewood Lodge Adventure Farm Camp

KAYBRIELLE - My week at Camp summed up in one word would have to be “surprising” It wasn’t at all what I expected it to be, but in a positive way. I shared a room with three other girls, it wasn’t in the main dormitory, but I enjoyed that. My favourite activity was archery which I had never done before and I have to say I was surprisingly good at it. The most challenging activity that really pushed me to my limit was the Climbing Wall, man it was hard. Thank you to everyone who made this week possible.

CHEYENNE - My week at Camp summed up in one word would have to be “enthusiasm” It was just everywhere, bubbling up all over the place. Dormitory sleeping with 20 other girls was different, can you imagine the chatter after lights out? My favourite activity was Kayaking because It was hilarious watching my Mum trying to keep her balance in the Kayak. The most challenging for me was also the climbing wall because there was a swarm of ladybugs at the time which made it very hard to concentrate.
