Device Free Sunday

As a family we decided to have a Device Free Sunday. After Mass, Sunday is time for family and building relationships. Often our lives are busy with sports practices, games, meetings, sitting in traffic, watching TV, texting and social media. Sometimes our kids need encouragement to put the device away, go outside and play.

Our family hopped in the car and took a drive to Duder Regional Park. What a place it is, with magnificent views of the harbour from the Sky Tower to the Coromandel. The park has a wonderful hour and a half walk through fields and bush. There are even some sheep and cattle to get to know.

We are on the lookout for our next adventure, device free.

Sporting Week

I have been speaking with the pupils about the two big sporting events at present: the Lion's Tour and the America's Cup. As a nation and people we can take a lot of learning from both events. Though they seem distant to most of us, these events bring people closer together.

Both teams have gathered people from across nations, with seemingly unlimited money, to beat little NZ. This must give us pride in knowing that we can compete on any stage. Let's celebrate as NZers and support our teams.

A thought to leave you with

***"The adage - "never too old to learn" -
is a great comfort to me."***

Catherine McAuley

God bless

... and
from our
Associate
Principals...

In Week 5, we celebrated a wide range of "Literacy activities", during our School Book Week/Fair. Both Staff and Students were involved in Literacy quizzes about Book Characters, Samoan Culture and Kiwiana. There were lots of opportunities to read, write and share in our love of reading. Our staff dressed daily in character costumes to foster a love of reading and open up new possibilities for our children to learn about.

Book Characters arrived from all around the Universe to celebrate our Book Week.

We had a Royal Visit from the King and Queen, with Prince's and Princesses from every nation joining us. Snow White and her Seven Dwarfs trotted off to work and several beautiful Cinderella's paraded around. Captain America and other Superheroes, Spiderman, Superman, Batman and Ninja Turtles dropped by to show us their superhero moves. See if you can spot your favourite character, in our video celebrating our [Book Week Parade!!!! - Click to view](#)

I would like to thank the wonderful staff at St Anne's school who embraced dressing up during Book Week. Their challenge was to come as a different Character each day. Staff creations, created discussion and questions for students about the character they were depicting. Teachers and support staff competed to earn house points with Pompallier House taking out a very close win for 2017. Next year we will be encouraging our parents/caregivers and whanau to dress up with us. See if you can see the teacher behind the character.

Mrs Joanne Milich-Misikini

Book Week Riddle Winners

A big thank you to all the children who correctly answered the book week riddles. The winners were awarded a certificate and also a duffy book during assembly in Week 6. Mr Norman was very impressed with the amount of enthusiasm and participation from all students.

[The Book Week Riddle winners:](#)

Frank Books

Recently the school received 100 free exercise books from the generous folk at [FRANK Stationary](#). The books were given to the Whakanui area and they are using them for writing. [Check out some of the students in](#)

[St Anne's Parish Mass Time](#)

As you teach your children the importance of showing respect, first commit your efforts to the Lord, trusting Him to be faithful to complete the work that you have begun.

When opportunity arises, have kids offer to carry groceries, help a neighbour, offer their chair to a grown-up or friend, open the door for others, etc. Begin at home!

Even a child
is known
by their actions,
by whether their
conduct is pure
and right.

Proverbs 20:11

Studies

Disciple of the Week

We are inspired by the following students who have been recognised as Disciples of the Week for showing the face of God to others.

Disciple of Week Six
Onella from Tika Tuatahi
For seeing someone in the playground who needed a friend.

Disciple of Week Seven
Joana from Aroha Tuatahi
For showing love to others who are in need and always having a big smile for them.

Well done to the following children who have received

Principal Awards

Celebrating our Achievements & Successes

congratulations!

Our Excellence Trophy winner last week was our Executive Officer Mrs Sparks. Thank you for your marvellous organisational skills especially for planning our staff Pink Ribbon Breakfast and for all your wonderful work for our recent Book Week activities. Every job you do is a self-portrait of you and you always autograph your work with excellence!

This week's recipient of the Excellence Trophy is Josaley for having a growth mindset and driving her own learning and as a result making amazing impressive accelerated progress in maths.

WELCOME ...

To our new Support Staff member Miss Cullen who started with our school last week. Enjoy the journey!

Upcoming Sports Fixtures:

Friday 30 June

(Save Date: Monday 3 July)

CCSA Interschool Netball Tournament

Browns Road Netball Courts

Tuesday 4 July

Taha hinengaro (mental health), Taha whānau (family health) and Taha tinana (physical health). When all four walls are strong and well supported it means our students are happy, safe and able to learn at their best. Please keep encouraging your children to look after their overall well-being by participating in our school Physical Education programme and extra curricular sports teams.

Extra Swimming Lesson

Remaining swimming lessons
Tuesday 20 June (week 8) AND
Tuesday 4 July (week 10)

The Arohanui team missed out on a swimming lesson in week 4 due to the bus driver falling ill. We have been offered an extra swimming lesson to make up for the lesson that was missed. This catch up lesson will be held on **Tuesday 4 July (week 10)**. The children will travel to and from the pool by bus accompanied by their hub kaitiaki.

Captain Rachel Met Her Heroes

A young Manurewa netballer was at the heart of the action at Sunday's [May 4] ANZ Premiership match, as she stood side by side with Stars captain Leana de Bruin and Tactix captain Anna Thompson in front of a stadium of fans.

Rachel Brzozowski, 8, along with Lynfield netballer, Caitlin Vaz, 9, won the

Te Whare Tapa Whā

Keeping active and fit is an important part of students overall hauora (well-being). As a school we work hard to foster students hauora using the model of the Whare Tapa Whā. This is represented by the four walls of a wharenuī (meeting house) which make up students overall hauora - Taha wairua (spiritual health),

A big thank you to everyone who bought items from the Scholastic Book Fair. Your purchases have contributed to Scholastic rewards for our school. These rewards are used to gain new books and resources for our library.

opportunity to meet the team captains and high five each of the players as they were called onto centre court at the start of the match, through the ANZ Future Captains competition.

Rachel, who attends St Anne's Catholic School, Manurewa and has been playing netball for four years, was excited before the game to meet her heroes and watch them play.

"My favourite part was watching both the teams play, and it was cool seeing the Tactix win. I thought the players were really good at jumping high."

ANZ Head of Sponsorship Susan McGregor says ANZ is passionate about supporting netball at every level, from the elite to the grassroots.

"That's why we're giving 94 children from around New Zealand the chance to meet their sporting heroes at each of the ANZ Premiership matches this season.

"We're very pleased we're able to offer this amazing opportunity to young Kiwis and hope that by offering them the chance to stand on centre court with their heroes it will help inspire them to achieve their dreams" says Ms McGregor.

The match saw the Tactix beat the Stars (46-43).

Enjoying a moment together before Sunday's ANZ premiership game in Auckland are (from left) Leana de Bruin of the Stars, ANZ Future Captains Caitlin aged 9 and Rachel aged 8 and Anna Thompson of the Tactix.

Wig Wednesday is coming up on June 28th

We are excited to be taking part in 'Wig Wednesday' on Wednesday 28th June and fundraising for Kiwi kids with cancer.

It's easy to take part – students will still wear their school uniform, but can wear a wig or crazy hair on the day and bring a donation for Child Cancer Foundation.

All funds raised by our school will help support Kiwi children with cancer and their families.

Charlie - McAuley House Captain

"Don't let people label you, because the only opinion that matters is yours"

"Don't let people label you, because the only opinion that matters is yours". What an amazing quote. It was one of my favourites because to me it means that you should listen to yourself, more than the world. We shouldn't listen to people who put us down. Instead we should use that to better ourselves. If you are happy with who you are, then others will be happy for you. You shouldn't listen to the haters because the only opinion that matters is yours. So remember this don't let what people say change who you are. There is only one you and no one else can change that.

Kaybrielle - Pompallier House Captain

"You become like the people you spend time with, so choose who you spend time with carefully."

This message speaks out to me not only in a powerful way, but also in a spiritual way. The message gives me this feeling. A positive feeling. This feeling makes me want to grab every opportunity that I'm given and run away with them, just before they leave my grasp. This message has also taught me to be more supportive around others. To be more positive with others. Because with positivity, you can do anything, and that's important. I had a whole new take on life after experiencing every single speaker's different way of expressing themselves and their stories. Every new experience made a huge difference in my life. And I'm grateful for it. I'm so glad I came and represented St Anne's at the NYLD 2017.

On the 25th of May the Year 8 House captains attended the National Young Leaders day with Mr Norman. This fantastic day had a range of workshops and inspiring people to listen to. The day had a lovely whakatauki:

**E kore au e ngāro,
he kakano i ruia
mai i Rangiatea -
I am a seed born
of greatness.**

This week at assembly the girls were presented with their certificates and badges. Charlie and Aria also shared some thoughts about the day and the whakatauki.

Mr Matthew Norman - Associate Principal

Aria - Maher House Captain

"Impossibility is just someone's opinion, not a fact."

What an inspiring quote, it really stood out to me because it means we can do anything. We shouldn't get dragged down by others as it is only their opinion, which we shouldn't believe in. This main quote made me feel more open for if anyone judged me or put me down I could just brush it and them off for it is just their opinion. This quote also made me help encourage others that they can do anything they put their mind to. As well as to awahi them when they don't feel they can do it and reminding them might help build their confidence. That day was an amazing experience and really inspired me to be a brighter, more inspiring role model for everyone around me. So remember you can do anything and don't let others bring you down.

Maribeth - Chanel House Captain

"We can achieve greatness in big and small ways every day."

Rangiatea, we can achieve greatness in big and small ways....I find this quote to be 100% accurate and it made me wonder a lot. We display Rangiatea everyday even though we don't notice it, from doing our homework bit by bit each day to working with a group to solve an equation. In Adam's and Duane's case they opted to buy the Abel Tasman Beach for 2 million dollars so that **we** can use it. 2 million dollars sounds like a lot right? Well they actually own the beach now! After donations from 50c to almost \$100 plus they managed to buy the beach in February this year, starting in mid-Christmas last year. Their story really inspired me to always give effort in doing something if it is really small and I hope their story inspired you as well. I am proud to attend NYLD 2017 and represent St Anne's among the other schools that were there.

By Sariyah Paitai (Arohanui 2)
 My culture is my blood and my blood is
 what runs in me
 It goes down to my veins and even though I
 sin GOD lets my heart still beating
 Without GOD and JESUS I would be
 nothing So keep my faith strong and keep
 the tone like a song
 Because when has GOD ever made a
 mistake
 My culture is my blood and my blood is my
 ink
 GOD gave me a gift to write with my soul
 So I will use it and share it in the name of
 CHRIST JESUS
 My culture is my blood and my blood is my
 red heart
 The reason why I'm standing is because of
 GOD who gave me so much love it turned
 into a planet in my mind
 My culture is my blood and my blood is my
 life
 Without the blood that GOD has put into me
 my ink would be lost, my veins won't be fed,
 my planet will not be red
 But my faith and GOD would be strong and
 that's one of the reasons why I praise GOD
 because he is strong, because he is lovely,
 because he will level you up, because he is
 GOD. Worship poets use their word to
 preach the gospel that's also why I love
 poetry
 My culture is my blood and my blood is just
 blood ...After all GOD will love us forever

School Uniform

We are looking into the opportunity of offering the purchase of our school uniform online. This would allow parents to purchase our uniform from Argyle directly and it would be delivered to the address you provide. There would be a courier charge of \$4 per order for delivery and a slight increase in the cost of some of the items.

Our school uniform shop would still provide a fitting service and items like hats and boys socks would be able to be purchased from the shop or the library at any time.

In the next E-Newsletter we will have a survey for parents to fill out so that we can see if there is an interest from our community for this service. A decision will then be made based on the results of this survey.

This newsletter is intended for the St Anne's Catholic School Community.
