"REDISCOVER THE
BEAUTY OF PRAYING
THE ROSARY AT HOME"

Greetings, Kia Ora Koutou Katoa, Talofa Lava, Malo e Lelei, Kia Orana, Fakalofa atu, Kumusta, Shlama Ellokho, Zdravo, Kona Mauri, Malo Ni, Salam Alaikum, Bula Vinaka, Namaste, Chao Ban

Congratulations

Congratulations to all of us for staying positive, caring for each other and supporting the whole community. New Zealanders can be proud of how we have responded throughout Level 4. May we continue to stay positive and keep our bubbles safe through Level 3.

Our aim is to support each other so we can reach Level 2 and start feeling that sense of normality. We hope this means the physical school returning to its vibrant self.

ANZAC

Last week we celebrated ANZAC Day, with a lovely Liturgy created by the staff, pupils and whanau of Whakanui. It was such a reverent and thoughtful liturgy. It is wonderful seeing the connection growing with the younger generation and how our whanau celebrated during Level 4. Cycling around (my exercise) and seeing the poppies on fences fills you with a sense of pride. Let's continue growing this within our families.

Month of Mary

During this month of Mary, let's do some small things with the whanau to celebrate Mary and what she means to us..

Decorate your Mary statue

Pray a Novena

Pray the Rosary

Pray with the Miraculous Medal

Listen to songs about Mary

It is also a chance to perform some acts of kindness for our own mothers, grandmothers and caregivers. I am sure you have noticed the wonderful things our Mums have done for us during the lockdown. 'Being Grateful' is something we have all learned through this journey and Mother's Day is the perfect time to show this to your 'Mum'.

What novel ways could you show gratitude to your Mother.

A thought to leave with you:

"My God, I will look to you confidently for grace."

M Frances Warde

God Bless, Mr Ryan Principal

As we always do, we started our assembly with prayer and our national anthem.

Many students and whanau shared their learning activities during ANZAC celebrations.

Being Grateful

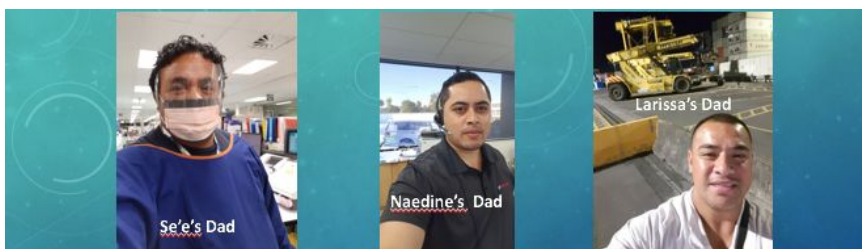

By Mrs Milich- Misikini
Associate Principal

Last week's assembly focused on "Being grateful" and was organised by our wonderful support staff including our Administration, Learning support, Quick 60 and English Language Assistants. Not only did they do a great job but they involved their whole family including siblings, college students and husbands and wives. We loved their enthusiasm to share who they are. And we are very proud of their efforts.

Special tributes were made to our essential workers of which we have many. We are grateful for all our essential workers who have kept New Zealand going while we have been in lock down.

ESSENTIAL WORKERS

Court workers	Defense force	Airport workers	Media workers
Fire fighters	Petrol Station workers	Paramedics	
Medical workers	Pharmacists	Police	Warehouse workers

And we were very excited to award the Wooden Spoon this week to Mr Ryan who deservedly won his award for his Jellybean vs Buttabeen efforts. Congratulations Mr Ryan.

FRUITS OF THE HOLY SPIRIT

In this week's newsletter, I thought it would be a great idea to share with you all some learning that the children in Whakanui are doing for Te Wairua Tapu- The Holy Spirit! They have a simple understanding that really hits home and shows us what the actions of the Holy Spirit working in us really means!

Amilya Paras' drawing of the Holy Trinity

Fa'amanuia outou uma e le Atua. God bless you all
Ms Fidow - Director of Religious Studies

Te Atua means GOD
Hehu Karaiti means JESUS
Te Wairua Tapu means ... THE HOLY SPIRIT
Name one fruit of the Holy Spirit LOVE
When we share the fruit of the Spirit we share the love of GOD in the WORLD.
(Amber Paras)

The symbol of the Holy spirit is often a dove.
The Holy Spirit is God's grace and presence in the world.
The Holy Spirit lives inside people in a holy place.
The Holy Spirit is present when people act with love and kindness.
The Holy Spirit is the third person of the trinity.
The Holy Spirit makes God's presence alive in the world.

When I hug someone and share my enjoyment of things with them, I bear the fruit of **love** and **joy**.

When I wait my turn and speak gently, I bear the fruit of **patience** and **gentleness**..

Evi Hartman

My mum was feeling sick so I made pancakes for her. Pancakes are her favourite treat. She likes it for dinner which is funny because normally people have it for breakfast.

I love to bake. I baked some cupcakes for my 96 year old great great father Pa Harry who needed cheering up because he received some sad news last night, yes I baked those last night.

Tyler sharing the fruit of kindness by reading to his little brother.

Malia-Luisa sharing the joy of the Holy-Spirit with her brother!
