Talofa Lava

We enjoyed a fantastic week celebrating Samoan Language. Well done to the staff and pupils for sharing more about your language and your culture. We may have missed out on some amazing food in Alert Level 2, however the fun and laughter of the pupils teaching us Samoan phrases made up for it.

Student Attendance

Thank you to the parents for bringing the remaining pupils back into school today. It is wonderful to see them. We have about 10 pupils still to return. We really urge you to return.

St Anne's Netball

Firstly I would like to thank the Netball Committee for all their time and dedication to the netball tamariki and the whanau. The team were all set to go when Covid decided to stop us. But now we are ready to go. The Committee and I feel the time is right to begin sport and keep our kids active.

Netball Papakura are starting competitions in the next 2 weeks. They have developed guidelines that follow the Ministry of Health guidelines. We would love to see your child back training and enjoying sport with their friends.

Attached is a letter from the Netball Committee that hopefully answers any of your questions. We ask that you email stannenetballclub@gmail.com with your name, name of your child, their year level and whether they will continue playing this season.

This will assist us in confirming and entering the teams early next week.

A thought to leave with you:

"A happy lot is ours!"

M Ignatius McQuoin

God Bless

Celebrating Samoan Language Week

Talofa Lava

Last week we celebrated Samoan Language week. The theme for Samoa Language week was 'Tapena sou ōso mo lau malaga' which in English means 'Prepare yourself a gift for your travels'. This year's theme urges us to prepare for the journey ahead. It highlights the need to honour, respect and share the gifts of our life's journey.

As Pacific Peoples when we prepare for travel, we take our traditions with us, allowing us to share our ōso (gifts/food) with everyone we meet along the way. And with these gifts we build, nurture and strengthen our language, culture and identity.

Our Learning support Assistants and teachers worked hard throughout the week to ensure that our Samoan children knew the value of being a Samoan, and with this knowledge, they in turn gift their culture, language and who they are proudly to all their non-samoan friends.

Fa'afetai lava ia Ms Alavina Leung Wai, Mrs Annette Chang, Mrs Ana Baice and Mrs Nancy Luamanu for ensuring that 'Samoa' in all its beauty is alive here in our St Anne School community.

This weekend, we celebrated the Solemnity of Pentecost. It is the day when the Holy Spirit came to the apostles to be their helper and guide. The Holy Spirit would give them strength and courage when they were afraid and needed help. This strength and help was what the apostles needed to spread the Good News of Jesus. It is why Pentecost is regarded as the birthday of the Christian church, and the start of the church's mission to the world.

That same Spirit is also present for us in our lives today and is our helper and our strength too. When we listen to the Spirit and live out Jesus' message, we show the fruits of the Holy Spirit. Let us be open to the Spirit working in us, in our school community and in our world so the fruits of the Spirit are seen by all we meet.

Great Role Model

In Week 6 the Excellence Award went to Danielle of Arohanui Tuarua for managing her time effectively and asking for more work. High standard of what she is sharing with us and always attends all zoom sessions for her online learning.

Wonderful Teacher Aides

In Week 7 the Excellence Award was given to our wonderful Teacher Aides who supported us on learning more about Samoan culture. They designed the whole week for the students and staff who were able to participate in

all sorts of activities including arts and crafts, prayer, learning words and phases and dance. The major highlight being the Assembly led by our Samoan students and staff.
