St Anne's Feast Day - Honouring our Grandparents

What a way to celebrate our feast day. Thank you to the grandparents and families who spent the day with their mokopuna and us. We enjoyed our Mass together and concert. We are already planning for 2018 to make it even more enjoyable for all.

Cook Island Language Week

Last week we celebrated with language, song, costume, art, dance and food. It was wonderful seeing the staff all dressed up and enjoying the week. I would like to say Meitaki Maata to all the staff and their families who spent time making resources, cooking and baking. We enjoyed a wonderful feast on Friday.

Faith Formation

This year our staff are studying toward a Religious Education Diploma. This involves 20 hours of lectures and 40 hours of reading and two assignments. This is all completed out of teaching hours. I would like to congratulate the staff for their commitment to their faith development. It is very special being able to grow in our faith as a school community.

School Signage

Over the next few weeks you will begin to see the new signage around the school. This will include the names on our learning hubs, admin and signage at the front of the school. We believe this will now connect the areas throughout the school.

A thought to leave you with

"We find in her an amazing act of daring: she made her first foundation with only one professed Sister and a novice! Surely a tiny mustard seed!"

School Speeches

Yesterday our Senior Speeches proved to be a very tough competition with some fantastic speeches. Our judges Mrs Pancha and Pa Mike spent a long time deliberately over the winners and place getters. They spoke of the great quality of speeches delivered by the participants and acknowledged that students had prepared their speeches superbly sharing a range of speech topics which made us laugh, feel sad and empathise with the contestants. Congratulations to Kaybrielle Ineleo - Yr 7&8 (Vegetables have feelings too!) and Tiare Ineleo Yr 5&6 (Why everyone should play sports). They will both go onto represent the school at the Auckland Primary Principals Association (APPA).

On Wednesday, 27 July, St Anne's Catholic School TravelWise Student Team, and Mrs Garvey from

Auckland Transport, took part in a back to school travel safety campaign, outside our school. The purpose of this was to make the community aware of the need for drivers to slow down when there are children about. The TravelWise student team held placards up with very strong messages urging drivers to pay attention to the road rules around schools and stick to the 40kmh limit that applies. The girls were delighted to receive 292 positive acknowledgments in the form of waves smiles or "toots." We will be taking part in another speed awareness campaign later in the term. Watch out for us! In the meantime please remember **SLOW DOWN AROUND SCHOOLS.**

IRiSe Youth News

IRiSe Youth completed the WYDAK17 (World Youth Day Auckland 2017) experience. We started out on Friday 14th July by hosting the PuaWai Youth group from Hokianga who stayed the weekend in the Whare. This amazing group of youth were led by Vanya and our very own Miss Jacobs.

We engaged in fun, song, food and fellowship busing out to St Therese in Mangere for the South Regional Day on Saturday and finishing off by leading an hour of prayer, song, pilgrim walk, activities and mass at Auckland Cathedral and Victory center on Sunday.

"Youth, you are the church of today". Let us be reminded that God walks with us learning from our past, living in our present and hoping in our future...with Christ".

We also celebrated the feast day of St Anne's together with our Parish, beginning with 10am mass, leading the rosary prayer and participated in items in the hall. There were a lot of smiles and cheer as each group performed.

Upcoming Events:

Youth Session - FRIDAY 11th August, 6:30pm - 8:30pm
Open to 11 year olds through to 20+

Sunday 13th August - MMMHelpers (Middlemore Mercy Helpers), 9am meet at Klounge.

Youth Camp - FRIDAY 29TH SEPTEMBER Weekend...

Special thanks to Ana Day, Vivian Pereira Dsor and Lotu Mafi for volunteering their time to support the Future Ferns for St.Annes as their Star Helpers. The time and guidance you have provided to our young girls is greatly appreciated – Thank you!!

Why is it good for my child to be bilingual?

Being bilingual (speak two languages) means:

- Your child has a better chance of understanding you...who you are and who he/she is...and be proud of that
- Your child will better understand your extended family and its history
- Your child has two worlds - your first/home language world and the world of the second language
- Language and culture are one...so your child will understand two cultures better
- Your child can better communicate with you and with older people in your family
- Your child gets the family's language treasure or taonga
- There are more opportunities in education and jobs later on ...bilingual people are valuable to employers
- Your child develops an 'elastic', thinking brain
- Your child gets a warm, loving and enriched language from you, because it is your 'comfortable' language

YES...being a bilingual person is a treasure!!!!
