Celebrations

Last week we celebrated St Anne's Feast Day. The day started with a wonderful mass together. Amazingly, this was our first full school mass since March. Following this our awesome team coordinated some fun sporting events. It was a really enjoyable day with lots of laughter. Thank you to the whanau who joined in.

Student Led Conference

We look forward to celebrating your child's learning next week during student led conferences. What a great gift you can give your child, to be able to spend some time really listening and discussing their learning. Our pupils are so proud of their work and how far they have developed over the year. Especially due to the disruptions. Giving them 15 minutes of your time means so much.

Have you booked your time to celebrate their learning?

Enrolments

New pupils enrolling continue to grow this term. We are currently at 577 pupils and will reach 600 by the end of year. If your child is turning 5 years old in 2020, please check they are enrolled.

Carpark Safety

We all want our children to be safe, however this will take some personal action from each of us. Thank you to the parents who are parking their car in the correct carparks and teaching their children to walk carefully into the school. If we all do this, we keep everyone safe.

A thought to leave with you:

"Our ministry is God's word in action."

Marcia Wilson

God Bless

Mr Ryan Principal

Term Pōwhiri and Liturgy

It was lovely to be able to welcome our new students and their whanau to school on Monday with the Tumanako students leading us for our welcome powhiri for Term 3. One of our new dads (Mark) spoke on behalf of the manuhiri (visitors) sharing his excitement about the opportunity his child has to be part of our St Annes community. We look forward to many more opportunities of sharing and working together with our whanau over the term.

Matariki has been a big focus for us over the past few weeks. It signals the Māori New Year. It is a time of renewal and celebration in New Zealand that begins with the rising of the Matariki star cluster.

When is Matariki?

Matariki is a star cluster which appears in the night sky during mid-winter. According to the Maramataka (the Māori lunar calendar), the reappearance of Matariki brings the old lunar year to a close and marks the beginning of the new year. Hence, Matariki is associated with the Māori New Year.

St Anne's Feast Day Celebrations

Last week saw the whole school celebrating the feast day of St Anne, our school and Parish namesake. We celebrated during the week by learning about St Anne and the special part she played in bringing about our salvation. One of our learning was finding out that St Anne's colours are green and red. Red for divine love and green for eternal life. Children enjoyed doing a variety of activities and learning within their own hubs. We finished our celebrations up by celebrating the Eucharist together on Friday, morning tea together and followed by Tabloid Sports and sausage sizzle in the afternoon. Needless to say, we had a wonderful week of celebrating our feast day.

The above photos are just a few of the activities we did during the week!

Tabloid Sports Day - Fun Day

Last Friday the students enjoyed a taste of different sport activities during our whole school Tabloid Sports Day.

After celebrating St Anne's Feast Day Mass the students had an opportunity to try and enjoy various sporting activities including relays, soccer skills, egg and spoon, sprints, hurdles, ladder races, ball skills, hockey, basketball, hula and bean bag skills.

In their House teams the students competed for house points and cheered on their teammates and had a fabulous time.

We all came back together under the canopy to enjoy a sausage sizzle followed by House Chants. Congratulations to the winning house **MAHER**.

Thank you to all who helped out and the support from our whanau.

competition will be taking place **week 4**. The competition is on **Tuesday 11th August** (saving date Thursday 13th August) at **Browns Road**.

Soccer training is still taking place **after school** on a **Wednesday** from **3pm-4pm**, with Miss Lewis and Ms Baice.

The **Y5/6 girls** are looking forward to their **soccer competition** in **Week 6**

Year 7 & 8 have their **cross country competition** this **Wednesday (29th July)**. Good luck girls!

Year 5 & 6 cross country will be starting very soon. The competition will take place in **Week 7 of Term 3**.

Year 5 & 6

Basketball is well underway with Mr Gibbs.

The **Year 7 & 8 girls** have their **basketball** competition in **Week 6**, which **St Anne's** will be **running** at the **Pulman Arena**.

Welcome back!

What an action packed first week, just what we like to see!

Bula everyone

The rain this week hasn't dampened our spirits! Thanks to our lovely canopy, we managed to get out and do some sport.

We got out playing soccer on Wednesday after school and it was great to see some new girls' faces on the pitch. Our year 7 & 8 girls were out training for ripper with Millich-Miskini and Mrs Judge.

Our year 7 & 8 netball girls headed to Brown's road to compete in the CCSA tournament on Thursday. Both teams won all games, which means they are heading to Counties next Tuesday! Brilliant work girls, we're all very proud of you!

Tika and Whakanui also had Counties Manukau Rugby League (CMRL) come in and deliver some rugby sessions with them. Thank you CMRL rugby we had a great time.

Thanks everyone!
