Catholic Special Character

Congratulations to our pupils who recently celebrated their First Holy Communion and Confirmation. What a special day for your whanau and our Church whanau. I remember what a wonderful moment it was seeing my own children completing the Sacraments of Initiation. I am sure you felt the same sense of pride and joy.

Thank you to the whanau who have completed the Religious Education survey. We believe it is really important that you are connected to your child's RE faith journey. The information you have provided will help us to refine our programme to keep you informed. Together we grow the future of the church.

'Annie' The Musical

Seventy of our pupils were given the opportunity to watch the musical Annie at the Aotea Centre on Thursday. One of our past pupils, Amélia Rojas, played the part of Ms Hannigan. She was a real highlight. Amélia's parents and the National Youth Theatre Company sponsored the full costs for the pupils to attend. Thank you so much for this opportunity.

Year 7 and 8 Rugby Team

What a fantastic tournament for our girls at the Champion of Champions Tournament. The best teams from around Auckland played against each other over the day. Our team held its own and were not shy of a strong tackle. It is wonderful seeing our girls break open barriers and participate in sports that interest them. A big thanks to Mr Ross (coach) and Mr Silva (Manager) for leading the team.

A thought to leave with you:

"One question proposed with simplicity is often the occasion of many instructions."

Congratulations to the 65 or so children who made their Confirmation and First Communion at St Anne recently. The children and their families have gone through a special sacramental programme in leading up to these days. The programme prepares the children for the sacrament of Reconciliation, Confirmation and Holy Communion.

[St Anne's Parish Mass Time](#)

These are significant stages in the children's Catholic journey and the programme helps them to understand and appreciate the true meaning of each. Thank you to Fr Brian, Fr Rob and Fr Kerry, programme leaders and the parents who supported their children through the many weeks of study and preparation.

I would also like to thank and acknowledge in especially, Theresa Simson, Paula Bernard and Iulieta Leafa for the leadership and guidance they gave to the children and their families during the study and preparation time. These wonderful ladies not only organised and prepared the children and their families but they also organised and prepared the Confirmation liturgy as well as the beautiful Holy Communion Mass. Without their commitment and hard work, it would not have been possible for our children to receive these special 'graces' from God.

We are very pleased to congratulate and welcome all the children as official members of our St Anne Parish community.

Well done to the following children who have received

Celebrating our Achievements & Successes

Congratulations!

Love to Learn, Arohaina te Ako

In Week 8 our Excellence Award went to Arohanui student Sau for her huge improvement across all academic areas in the last year; for consistently showing integrity; being a role model to others and showing leadership in Kapa Haka.

Mālie Sau! Keep up the great job!

Our Week 9 Excellence Award went to Amazingrace for always being kind; trying her best; caring for the environment by picking up rubbish during playtime and showing what a great role model she is to her peers.

Kei te pai Amazingrace!

Challenging Mathex Competition

Congratulations to our Year 7&8 and Year 5&6 teams who recently competed at the Annual Mathex competition held at Manurewa Intermediate. **Mathex** is a challenging and fast-paced mathematics contest where teams compete against each other to answer questions as quickly as possible.

Gillian, Leilani, Christina and Alexandra were extremely skilled at the challenges they were given. Each of them found that the individual challenges put pressure on them, but they were able to get past that and have fun during the challenge.

Our Year 5 & 6 team of Joseph, Angella, Mateo and Daniel (right photo) rose to the occasion and used their skills to achieve their goal.

St Anne's hopes to compete in Mathex once again next year, providing different students an opportunity to participate in this intense competition.

ST ANNES NETBALL CLUB

MPSSA Hockey Tournament

Last Tuesday it was our hockey tournament for St Annes. We had a lot of fun but let us tell you more about it! We were really good. We have two separate teams, a red team and a green team the captains are Angelynne & Portia. Angelynne is the captain of the red team and Portia is the captain of the green team and our coach Rochelle taught us a lot of things and at the tournament we tried everything she taught us and we think we did it!

Y6 WERO Whitewater Park Rafting

When I first arrived at Wero my body was trembling with fear, the thought of going on the rafts and flipping over on the rafts was too much. Thoughts were circling and racing through my head, thoughts like: Was the water deep? Would the raft flip over? Was I going to DROWN!?

The activities ranged from rafting normally, practicing rowing, even jumping into the so called 'RIVER'.

Although it was as scary as jumping off a cliff at first, this experience was once in a lifetime opportunity and I'm glad that I got to go.

Manurewa Family Swimming Club.

Address: Manurewa Pools, Sykes Road Manurewa
Lessons: Friday nights 7pm to 8pm.

Lessons are throughout the School Term.
We are not a competitive swimming club.

Our key goals are to teach the main swimming techniques to our students. Water safety and hazard awareness are a key part of the lesson criteria.

Ages from 5 years old.

The Manurewa Family Swimming club has been established as a swimming training club since the 1970's. We teach techniques that will assist you throughout your life in all water areas. Our students are coached on correct techniques and will develop an endurance for distance through their training.

We are a non-profit organisation and we endeavour to teach as many students as our resources will allow to become competent swimmers.

Club Aims

1. To teach swimmers a range of swimming strokes and water safety skills.
2. To coach swimmers to increase distances achieved in each stroke.
3. To instruct and train adults in swim teaching and coaching.

Children are graded as to their level of experience by our coaching staff and allocated to the group of their current swimming ability.

If you are interested in joining our club, please contact us on the below contact details. We will forward to you our club enrolment forms and term schedules.

Please be aware there are waiting lists for enrolments at certain periods.
