Gala

I would like to thank the community for supporting such an amazing gala. The PTFA Team produced a well run and community focused gala. Together we raised over \$35,000 profit. The best result in many years. Thank you to the communities who came together to run the stalls, your food was so good it was all bought by 11.30am.

Thank you to the staff who played a big role in ensuring a successful event. And the biggest thank you to Mrs Ana Baice and the PTFA. What a wonderful combined effort from this small team who produce magic.

Kapa Haka Festival

I was so proud of our Kapa Haka group on Saturday at the Regional Festival. Our strong group of twenty pupils stood up with pride and used their beautiful voices. I was amazed with the sound.

To me it felt like being a part of something special, our first ever experience at Regionals. Thank you to the parents for allowing your children to make history and giving the group a real sense of identity.

We would like to thank Mrs Milich-Misikini, Mrs Flavell and our tutors Whaea Jadein and Whaea Marion for their commitment to team, training, uniforms, letters..... Seeing the pupils faces on beam must have been so rewarding. Look out when we double the size of the group in 2019.

Ukulele Festival

As our bus pulled up at school on Saturday, the Ukulele Festival Group also arrived. The team of 30 pupils and staff had spent the day at the Ukulele Festival. This is a wonderful celebration of music and song. We would like to thank Mrs Maletino, Miss Leung Wai, Miss Maletino and Mr Ross for training the team and giving our pupils this wonderful opportunity to show their talents.

We look forward to hearing both groups perform during our school events later this term.

A thought to leave with you:

"Life to the full! The only way to restore to the poor their lost dignity."

Welcome to Whaea Charlene Takerei who will be working with and supporting the learning of our tamariki in Tika team.

Kapa Haka - Te Roopu o Hato Ani

Last Saturday our very small but LOUD Kapa Haka group did our school proud performing at the Auckland Regional Kapa Haka festival for the first time in the school's history, alongside some of the most outstanding Primary Haka groups in New Zealand.

Initially a little shocked by the huge audience they faced, it didn't take long for them to relax and let their lights shine. The smiles that radiated on their faces and their strength in singing were spurred on by the great support and encouragement of the audience. It was a very humbling experience for staff, tutors, students and whanau representatives.

Whakawhetai Whaea Jadein and Whaea Marion for your belief in this kaupapa, your time, expertise and aroha for our tamariki. We have been blessed that you have been sent to grow and support us. Rock on 2019, now we know what we are up for next year and i'm sure we will be even better.

Our school gala was a beautiful showcase of community spirit. **Coming together** as a community to ensure the gala is a success (for our children) was a gentle reminder how we can achieve great things by **working together**. I marvelled looking around at the many 'faces' of the St Anne community. The obvious dedication from parent and family helpers, to staff and the children themselves highlights **how our faith and our children can bring everyone together**. I am reminded again how we are not created by God to live alone. Living in community is an essential expression of who we are. But community does not just happen - it is something that men, women and children must work together to develop. ***"Participation is a duty to be fulfilled consciously by all, with responsibility and with a view to the common good."*** ***Compendium of the Social Doctrine of the Church.*** Community becomes even more powerful when it includes the entire community. When all members of the community pull together for a united cause, the power becomes unlimited. The change, or transformation, that occurs from the entire community is something greater than just what a small group of the community or an individual can achieve.

The gala was a great example of 'people' coming and working together. The money raised from the gala goes straight to providing and giving our children resources that they might not otherwise be exposed to. As mentioned earlier, how awesome it was witnessing this coming together!! Witnessing how everyone played a part - whether small or big - ensured that our gala was a success. We can only grow stronger and better by working together. I am immensely blessed and privileged to be a part of this thriving community spirit that we have here at St Anne's School/Parish community.

Well done to the following children who have received

Kids for Kids Choir

Last Tuesday night some of our students were involved in the KidsforKids concert held at the Vodafone Events Centre. There were lots of other schools there as well. We had to learn lots of different songs and at the rehearsal we also had to learn all the actions. Jackie Clark and Nathan King were our hosts and it was a great night and we had lots of fun!! Thank you to our teachers and our parents for all their support.

Year 7&8 Touch & Athletics

These past two weeks at St Anne's have been so busy with different sports tournaments for our intermediate girls! We've had the Year 7&8 girls touch team placed third at the Counties Zone Tournament. A huge thank you to Mr Ross and Mrs Milich-Misikini for training and coaching the girls on the day. We also had the Year 7&8 Central Counties Athletics meet where six of our girls qualified for the Counties tournament in long jump, discus, shot put, 200m and 100m sprints. We wish Pelenatete, Salafai, Tiarevia, Sariyah, Miriama and Krystal the best of luck at the Counties Athletics Tournament.

Spectacular School Athletics Day

On Thursday the 15th of November, the Year 4-8 students walked down to Jellicoe Park to compete in our school athletics day. There were students dressed head to toe in green, blue, yellow and red to represent their house groups. All our students used their strength and speed to compete in discus, shot put, long jump, high jump and track events. It was great to see so many students giving new events a try on the day! Our day concluded with a house relay against one team of staff members and a team of family members. The students cheered on the runners and it was great to see the staff team come in third. A huge thank you to the parents who helped run events on the day. Results were as followed:

1st - Pompallier 2nd - McAuley 3rd - Maher 4th - Chanel

Our Kiwileles Shine at the

We woke up to a beautiful Saturday morning and we were excited because we were going to the Ukulele Festival at The Trust Arena in Henderson. The stadium was a sea of colours - everyone was wearing colourful t-shirts, leis and hats. The host of the festival Jackie Clark was amazing and when she announced our school name, during the parade, we cheered and shouted as loud as we could! Then we got ready to play our ukulele songs that we had been learning. We had an awesome day with lots of fun and laughter. Thank you to Mrs Maletino and Ms Leung Wai for sharing our passion for learning the uke and helping us prepare for the Ukulele Festival and thank you to everyone who came along and joined in the fun!
