We celebrated our first Full School Mass for over a year on Friday. It felt like meeting an old friend again, being together celebrating our faith, it just felt right. It was also a joy to have Fr Kevin celebrate the mass with us. We hope we can have more opportunities to gather together as a community. It is something we have really missed with the pupils and with you.

We acknowledge it has been difficult to grow community over the past 2 years, with little school events and caregivers onsite. We look forward to slowly growing this again, in context with keeping our community safe through COVID spread.

Reporting to Whānau

This term we will provide our whānau two opportunities to share in the success of your child. You will receive a written report on 1st July. The report indicates how your child is progressing in reading, writing, math and Religious Education. It also indicates how they are developing their learning habits. This is really important as it gives you an insight into how they learn.

We are also excited to offer Student Led Conferences (SLC's) this term. It has been a year since our last one. The SLC's will seem new to a lot of pupils and caregivers. Essentially it supports your child to take ownership of their learning, share their progress with you and the next step in their learning journey. The evenings are really powerful, positive and learning focused.

We will provide more information regarding this over the term. Bookings are open now, the link is provided below.

Easter Mass

Last week saw the whole school coming together in celebrating our Easter Mass and our first gathering together as a full school.

Last Term saw us walking with Jesus during His Passion. We have been sad thinking about Jesus' suffering and death. Our celebration of the Easter Mass saw us coming out of our sadness and rejoicing together in our Risen Lord's Resurrection. This is the most important event in our Christian faith and how wonderful and fitting it was coming together for the first time again to celebrate this most important event!

Mother's Day

This week we celebrated the Month of Mary/Mothers Day with a full school Liturgy.

We came together to acknowledge all our mothers and those who are like mothers to us - our grandmothers, our aunts, our sisters, our teachers and our friends. We remember our mothers who are with us today and mothers who have died and are now with God.

Through the love, care and protection these wonderful and special women show and have shown us, they help us understand more of what God is like.

In this month set aside to honour and remember mothers, we give thanks to God for these wonderful ladies. We are grateful that our loving Father chose them to give us life and thank Him for all the sacrifices they have made for us.

We pay particular honour to Mary, the mother of God, the Mother of all of us. We thank Mary who served the Lord for the great gift of motherhood. We thank you Mary, for your "Yes" to the invitation of the angel which brought heaven to earth and changed our lives. You opened yourself to God's word and the Word was made flesh and dwelt among us.

We turn to you Mary, to pray for all our mothers and to continue to intercede on our behalf.

Celebrating Whanau

It was a great celebration at Mass on Friday to acknowledge our House Captains and their whānau. It is the first time we have gathered as a House Captain rōpū and we were grateful to have a special blessing by Father encouraging us to continue the mahi of past leaders. We are always inspired by our grandparents and parents, who encourage us to be the best we can be.
