PTFA

I wanted to take a moment to express my gratitude to our wonderful Parent-Teacher and Friends Association (PTFA) for organizing a fantastic disco last term. The energy and enthusiasm were palpable, and it was a joy to see our students having such a great time. Thank you to all the volunteers who made it possible and Angelik Fruean for her leadership.

Student Led Conferences

This week marks an exciting event in our school calendar - Student Led Conferences. During these conferences, your child will have the opportunity to showcase their work and celebrate their successes with you. It's a chance for them to take ownership of their learning and share their achievements with pride. I encourage all parents to attend and show their support for their child's educational journey.

New Entrant Enrolments for 2025

We are already looking ahead to confirm student enrolments for 2025 and planning for the arrival of new students. If you have a child who will be starting school in 2025, please ensure that you complete the enrolment process as soon as possible. This will help us prepare for their arrival and ensure a smooth transition into our school community. Please check your child is on the list for 2025.

Exciting Development: Fale and Grotto Space

I am thrilled to share that the School Board is investigating a wonderful addition to our school with a Fale and Grotto space. This initiative has been met with great enthusiasm, and I extend my heartfelt thanks to those who have supported us with ideas and reflections. The Board is currently gathering further information and will provide more details for your feedback. We are excited about the potential this project holds

Assembly

for enhancing our school environment and providing unique learning opportunities for our students.

Attendance Matters

In recent weeks, attendance has been a hot topic in the news. As educators, we understand the crucial role that regular attendance plays in a child's academic success and overall well-being. I urge all parents to prioritize their child's attendance and to support them in getting to school on time every day. By doing so, you are helping to keep your child connected and engaged in their learning, setting them up for success both now and in the future.

Thank you for your continued support of St Anne's.

God Bless

Mr Ryan
Principal

*My God, I will look to you confidently for grace.
M Frances Warde*

To the following students (and their whanau) who have recently started at our school
