#### **Outdoor Education Camp**

What a fantastic week the team shared at Lakewood Lodge. The feedback from the girls, parents and staff was really positive. In so many ways it was beneficial for all; from pupils spending their first night away from home, to those who have travelled past the Bombay Hills for the first time. You could see the girls meeting new challenges and overcoming these. They are a credit to whanau.

I would like to thank the staff who organised the camp, raised funds to lower the costs and supported the pupils to have a successful trip.

#### **Learning with Technology**

There is often talk about devices and screen time in the media. We all have our thoughts and ideas on their use. To us, it is not the device that is important, it is how we use the technology. Our Year 3 to 8 teachers have developed their use of 'flipped learning'. One aspect of this includes videos, where the teacher has recorded themselves showing and discussing new learning.

This is then loaded onto the Hub learning site. The pupils can access the video, complete some of the work and refer back to the video if more learning is needed. This is a great way to support the understanding new concepts. The pupils have given us great feedback on how this supports their learning.

#### **Celebrations**

Recently we celebrated Sign Language Week and Bully Free Week. We participated in many fun events and enjoyed new learning e.g. every staff member can sign their name now. The theme of each celebration does not stop on the Friday though, for us it continues. We challenge ourselves to learn more and keep growing.

Next week we celebrate Samoan Language Week. I look forward to some more learning. Thank you to the pupils and staff for leading and participating in all our events.

**A thought to leave with you:**

## SCHOOL CLOSED

**Wednesday 29 May 2019**

Because of the planned NZEI Teachers Strike,  
the Board of Trustees have decided to close our school for instruction  
**on Wednesday 29 May**

School will reopen at the normal time of 8.45am on Thursday 30 May.

*Thank you for your understanding and support of our teachers.*

**Kua tae te wa – It's time**

*It's time your children had the education they deserve.*

### What are our teachers campaigning for?

- More teachers – so your children get more attention
- More resources/staff to support children with additional learning needs
- A pay jolt to salaries for teachers to address the teacher shortage – so that your children will have a teacher in the future.

## Have you booked your time for School-Led Conferences?

We look forward to seeing as many parents together with your children, at our Student-Led conferences in Week 6.

Student-Led conferences is a wonderful opportunity:

- For your child to share and/or demonstrate evidence of some of their learning with you
- To help your child develop oral communication skills which increases their self-confidence
- For you, your child and their teacher to have a korero (talk) about their learning

You can book an interview time on the school interview website. Click on this link [www.schoolinterviews.co.nz](http://www.schoolinterviews.co.nz)

Click on the 'MAKE A BOOKING' tab and enter the school event code **6paan** and press GO.

If you need any help or have any questions, our office ladies are more than happy to help you.

Greetings everyone

This term we will be gathering information across the school to find out more how we as a school, can better serve our families and community in engaging everyone in what is happening in the school in all matters of Religious Education.

We will be running surveys gathering parents/whanau voices, teachers as well as student voices. This will give us a better indication on how well we are informing our community in events/learning areas that pertains to the Religious Education programme.

Please take 5 minutes to complete the survey attached below.

We appreciate your feedback and your time in completing this survey.

## **Year 5 & 6 Rippa Rugby Tournament**

Inter school was a lot of fun because there were a lot of teams there. Playing against them was really hard because they were fast. My favourite part was when I scored two tries. I think our team did really really well.

***Kobe Tahitahi (Captain)***

## **Year 5 & 6 Soccer Tournament**

Soccer tournament was fun because we got to play with other schools and our team did very well at the tournament. There were a lot of teams so the field was filled with schools. We placed 7 out of 28 different schools with only play one sub and we had so much fun. We learnt how to defend and attack better and between our games we were practising kicking and passing. During the games, we were controlling the ball and had good teamwork. With no injuries we kept our team safe and healthy. The best game we played was against Randwick park. We got a tie at the last minute but we didn't have a penalty shootout. It was an awesome day!
