### Student Led Conferences

Congratulations whānau on the great turn out over both nights of our SLC's. It was wonderful having the opportunity to meet again, celebrate your child's learning and see the where to next. I am sure your child loved having the chance to discuss their learning with you. Our children spend a lot of their time in school and it means so much sharing their world with you.

For those who missed the opportunity, please contact the hub teacher. It is so worth your time to see your child's face glow with pride.

Thank you for responding to our survey on the school vision. Our first question asked **what five skills do you most value for your child and these were your top selections:**

**76% Problem solver**  
**75% Confident communicator**  
**66% Independent learner**  
**65% Critical thinker**  
**63% Active listener**

This gives us a direction and a goal to aim to, for your child on their learning journey at St Anne's. As we reflect on our programmes and the learning outcomes, we will have these skills at the forefront. This will be reflected in the teaching lessons and programmes through the types of questions used, working independently and in groups, and being able to respond in small and large groups.

### God Bless

Mr Ryan  
Principal

*Pray for me that I may be able to render a faithful account of my stewardship. M Ignatius McQuoin*

As our teams had a competitive day, we celebrated that we came 2nd place, and walking out with our heads up high. We would like to thank Mr Ryan and Mr Ross for all the time and effort that they have put in to training both teams.

We also thank the Lord for putting his merciful hands above us and for helping us through our tough games. Not only were we able to be given this opportunity but our 7 & 8 girls got to meet new schools and made new friends who encouraged us during their games. **Larissa and Katarina**

## Competing at the 2023 CCSA

was a great experience. Larissa, Sadie and I competed at the Jubilee Pool located in Pukekohe. We were lucky to have made it into the semi-finals and competed against many other schools. We met some students we knew while competing and made many new friends.

I competed in five races; 100 metre Freestyle, 50 metre Freestyle, 50 metre Breastroke, 50 metre Backstroke and 50 metre Butterfly. Even though the weather was gloomy, I worked hard and was fortunate enough to make it to the finals for 100 metre Freestyle and 50 metre Butterfly. I placed second in the freestyle race and third in the butterfly. I am now advancing to the next tournament for 50 Butterfly - the Auckland Champs.

I thank my mum, Tolotea Lanumata, for timekeeping for us and also thank you to, Sulia Finau for managing our team.

## Year 5 & 6 Cricket

On Wednesday 15th March, the boys and girl's cricket teams were so excited because the day had finally arrived for the Year 5 and 6 boys and girls Cricket tournament that we have been training so hard for during our lunch breaks at Mountford Park.

Firstly, when we got to school, we had to put on our school sports shirt, and got changed into our P.E shorts. Afterwards when we all had arrived and were changed, we excitedly hopped into the school van, and sang happily on our way to Mountford Park as Mr Ross carefully drove us there.

## College News...

### McAuley High School Enrolments 2024

If you wish to enrol your daughter at McAuley High School in 2024 applications are being taken now. Enrolment packs can be collected from the school office, sent to you in the mail, or the forms can be downloaded from the school website. But sure to get applications in as soon as possible to avoid disappointment as we have already received a number of applications.

Non-preference applications close at the end of Term 1 and preference applications at the end of Term 2.

Next, when we got to Mountford Park, we walked over to where the other schools were sitting on the stands, and then when it was time, we walked over to where we were playing our first game. Mrs Myocevich was with the boys team, and Mr Ross was with the girls team.

During our games, we all were playing as a team, cheering and supporting each other and not giving up. A few of our games were pretty challenging, but we managed to persevere as a team and have faith.

Finally, as we packed our belongings, we made our way back to the stands for the prizegiving. When we waited for the announcement of the winning boys team, we shouted for joy when they called out our boys team came first equal with Roscommon School! We were so speechless and overwhelmed when Tyler went up as the boys team captain to represent our team. We would like to thank Mrs Myocevich and Mr Ross for coaching us and supporting us, as well as the parents that came to cheer us on during the day. That was one day we will never forget!
